Our integrated solution provides a seamless means to send bills with a click of the mouse. We also integrate back into RCC for document view & retrieval. We enable businesses to engage with their customers in ways that are more compelling, meaningful & profitable. We provide tremendous flexibility in document composition, distribution, and payments. We are continuously developing new ways to reduce AR costs and increase cash flow.

**DRIVEN BY TECHNOLOGY.  
EMPOWERING  
COMMUNICATIONS.  
FOCUSED ON RESULTS.**

Matrix is a proud, long-time integrated partner with RCC. We share 20+ clients with some services being 15 years strong and growing. Matrix is a high powered digital and physical communications provider ready to help clients rest at ease with sending invoices, statements, letters, and more. We are powerful enough to manage complex multichannel touchpoints while also strengthening the robust service levels of RCC.
