

MSG PAYMENT SYSTEMS

# Integrated Payments

---

We've been a dedicated RCC partner since 2009 and are the leading provider of merchant services for the energy industry. Our solutions help you save time, reduce manual work, and simplify accounts receivables.

## *Integration Benefits*

Credit card, ACH, & payroll processing

Next day funding

Improved bank reconciliation

Email transaction reports

Responsive & friendly customer service

Competitive pricing

Fraud protection

## Your Experience

---

You gain a true partner when you work with our team. We focus on learning about you, your business, and your customers to create a customized payment solution. You will enjoy a specialized program that solves problems energy companies often experience with merchant services.

Contact us to discover how our solutions can make a difference for your business.

## Account Analysis

---

Our analysis goes beyond a rate comparison. We educate you on rules & regulations that lower fees and services that improve cash flow.

***Request your analysis at  
[msgpay.com/quote](http://msgpay.com/quote),  
call 888-697-8831, or see  
form on reverse.***

# Request Your Analysis

Visit [msgpay.com/quote](http://msgpay.com/quote) or send this form to [hello@msgpay.com](mailto:hello@msgpay.com) or 515-334-7461 (fax) with two recent merchant statements. Upon receipt, our team will prepare your proposal and contact you within two business days.
